International Society for Maxillofacial Rehabilitation

May 22, 2010

SATURDAY

2:00pm – 5:00pm (3 hours)

Post Conference Workshops

Corporate workshops are available for **Silver** and **Gold Patrons**. Due to limited meeting space, the number of workshops will be limited based on available, *first-come basis*. Promotional copy will be included on ISMR conference web site, registration brochure and program book.

Patrons are responsible for speaker cost and all workshop costs other than those concessions provided in the workshop fee (see workshop fee below). Gold patron workshop fee is waived.

Workshop Summary: Workshop should provide detailed instructions on the use of equipment, software or procedures. The course content is entirely up to the discretion of the corporation. The workshop faculty and “machine hands-on” equipment is the sole responsibility of the corporation. Additional A/V equipment other than outlined below is the responsibility of the corporation.

Course Objective: Hands-on experience, up-close and personal opportunity to instruct participants on your equipment, software and/or procedures.

Delegate Fee: Workshops will be an *elective* and require an additional fee (not included in conference registration fee). Workshop fee will be set at the discretion of the ISMR. All workshop income will be the property of the ISMR conference revenue.

Corporate Workshop **2,500 €**

Included: Meeting room for up to 40 participants

One (1) PM break with coffee, water and snack

Audio Visual Equipment: One (1) screen and one (1) projector

Workshop Summary posted on Conference Web Site, Registration Brochure and Program Book

Link on ISMR conference web pages to Company web site

Company inserts in delegates' conference folders (maximum of 2 pages)

*Workshop fee for **Gold Patron** is waived*

All fees quoted in Euros
